REGISTRATION

- Please provide information on all children living at home including those not yet attending school, those in grade school, and those in high school, whether or not they are enrolling in our programs to help us plan church activities.

- Occasionally, local newspapers write stories and or print pictures of events at our church. We also take pictures to place in our newsletter or on the church website. Many wonderful photos have graced the walls and hallways. If you have no objection to your child's or children's photos appearing in public forums, please read and sign the photo release below.

My signature below indicates that I grant permission to Alexandria First Presbyterian Church and its volunteer staff to photograph or video my child or children during the program year. I acknowledge that these photos and videos may appear in—but are not limited to—the church newsletter, the church website, other church publications, and/or the local newspaper(s) and media. I affirm that I am the parent or legal guardian of the child(ren) named below, that I am at least 18 years of age, and that I am legally authorized to sign on behalf of my child(ren).
